

Eurotech Identifire Visual Indicator Device

A product designed for conventional fire alarm systems, it is an ideal solution for environments that require a discreet but affective device.

Used as an ancillary visual alarm in fire systems; Identifire Tritone Sounder VIDs are suitable for conventional and 2-wire fire systems as well for general alarm and signalling systems.

As with the wider Identifire range, the product is designed to fit any recessed single gang box, giving a flush finish or surface mounted using the Identifire surface box.

Body colours available are Red and White.

Strobe colours available are Red, Clear, Amber, Blue and Green.

FLUSH MOUNTED

SURFACE MOUNTED
